

# 2010 LDPOA New and Previously Registered Watercraft Application

Dear Resident:

If you have watercraft that you plan to use on Lake Dalecarlia in 2010, you must complete the reverse side of this application (**prior year registrants are to use the pre-printed application sent via US mail**) and return it along with your payment prior to using your watercraft. In addition, any watercraft docked on the lake or on a lift residing in the lake must be registered. **Watercraft owners who fail to register their watercraft and properly affix all registration decals will be fined \$100.00 in accordance with the "Regulations Covering LDPOA Property and Schedule of Fines"**.

Please read through the important information and registration changes below **before** submitting your application.

Thank You,  
LDPOA Board of Directors
